MEMORANDUM FOR THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT: Meeting of IAC Deputies

1. As you know, from time to time we have found it helpful to convene a group referred to as the IAC Deputies or the Little IAC.

2. A meeting of the IAC Deputies has not been held for some months. Meanwhile several matters have come up on which we believe discussion at a level short of the IAC itself would be of mutual benefit:

- a. Coordination of NIE's at the deputy level in advance of consideration by the IAC. ✓
- b. The inclusion of a note on the cover of NIE's indicating extent of coordination or participation. ✓
- c. Modification of the coordination note now carried on title page to reflect extent of association of non-participating members (AEC and FBI) in statement of concurrence.

3. We propose that the meeting be held at 10:00 Tuesday, 1 July, in Room 132 South Building.

4. Please notify the undersigned whom you have designated as Deputy and whether the time proposed is convenient.
